

FOR IMMEDIATE RELEASE

LONG BRIDGE INC. SET TO ACQUIRE MACHINE CONTROL SYSTEMS!

Cambridge, ON: Long Bridge Inc., specializing in the construction of custom electrical control panels, based out of Cambridge, Ontario is pleased to announce the acceptance of a share purchase agreement leading to the acquisition of Machine Control Systems, located in Guelph, Ontario. The combined Company will create an industry leader, with over 25,000 square feet of manufacturing space and a staff of more than 40 people focused on the manufacture of quality products delivered with impeccable customer service.

This transaction is expected to close in late July 2014 and the company will provide additional details at that time.
